6 CHANGES IN OPTIONS

6.01 Share Consolidation or Subdivision

In the event that the Shares are at any time subdivided or consolidated, the number of Shares reserved for option and the price payable for any Shares that are then subject to option shall be adjusted accordingly, in proportion to the subdivision or consolidation.

6.02 Stock Dividend

In the event that the Shares are at any time changed as a result of the declaration of a stock dividend thereon, the number of Shares reserved for option and the price payable for any Shares that are then subject to option shall be adjusted accordingly to ensure to the extent possible that the economic value of the option is maintained.

6.03 Effect of a Take-Over Bid

Subject to prior Exchange approval (if Listed), if a bona fide offer (an "Offer") for Shares is made to the Optionee or to shareholders of the Company generally or to a class of shareholders which includes the Optionee, which Offer, if accepted in whole or in part, would result in the offeror becoming a control person of the Company, within the meaning of subsection 1(1) of the *Securities Act*, the Company shall, upon receipt of notice of the Offer, notify each Optionee of full particulars of the Offer, whereupon all Shares subject to such Option ("Option Shares") will become Vested and the option may be exercised in whole or in part by the Optionee so as to permit the Optionee to tender the Option Shares received upon such exercise, pursuant to the Offer. However, if:

- (a) the Offer is not completed within the time specified therein including any extensions thereof; or
- (b) all of the Option Shares tendered by the Optionee pursuant to the Offer are not taken up or paid for by the offeror in respect thereof,

then the Option Shares received upon such exercise, or in the case of clause (b) above, the Option Shares that are not taken up and paid for, may be returned by the Optionee to the Company and reinstated as authorized but unissued Shares and with respect to such returned Option Shares, the option shall be reinstated as if it had not been exercised and the terms upon which such Option Shares were to become vested pursuant to section 4.03 shall be reinstated. If any Option Shares are returned to the Company under this section 6.03, the Company shall immediately refund the exercise price to the Optionee for such Option Shares.

6.04 Acceleration of Expiry Date

Subject to prior Exchange approval (if Listed), if at any time when an option granted under the Plan remains unexercised with respect to any unissued Option Shares, an Offer is made by an offeror, the Directors may, upon notifying each Optionee of full particulars of the Offer, declare all Option Shares issuable upon the exercise of options granted under the Plan, Vested, and declare that the Expiry Date for the exercise of all unexercised options granted under the Plan is accelerated so that all options will either be exercised or will expire prior to the date upon which Shares must be tendered pursuant to the Offer.

6.05 Effect of a Change of Control

Subject to prior Exchange approval (if Listed), if a Change of Control (as defined below) occurs, all Option Shares subject to each outstanding Option will become vested, whereupon such Option may be exercised in whole or in part by the Optionee. "Change of Control" means the acquisition by any person or by any person and a Joint Actor, whether directly or indirectly, of voting securities (as defined in the Securities Act) of the Company, which, when added to all other voting securities of the Company at the time held by such person or by such person and a Joint Actor, totals for the first time not less than fifty percent (50%) of the outstanding voting securities of the Company or the votes attached to those securities are sufficient, if exercised, to elect a majority of the Board of Directors of the Company.

6.06 Certain Adjustments

In order to prevent substantial enlargement or dilution of the rights granted to, or available for, holders of options as compared to holders of Shares, in the event:

- (a) of any distribution of evidences of indebtedness or assets of the Company (excluding dividends paid in the ordinary course) to all holders of Shares; or
- (b) that as a result of any recapitalization, merger, consolidation or otherwise, the Shares are converted into or exchangeable for any other securities;
- (c) that any rights are granted to all holders of Shares to purchase Shares at prices substantially below fair market value;

then in any such case, subject to prior approval of the relevant stock exchanges, the number of Shares reserved for issuance and available for options under the Plan, the number of Shares subject to outstanding options and the exercise price per option shall be proportionately adjusted to ensure to the extent possible that the economic value of the option is maintained.

6.07 Reduction in Option Price

If the Option Price is to be reduced for options previously granted to Insiders, if Listed, approval of disinterested shareholders will be obtained if required by the Exchange.

In the event of an inconsistency between the provisions of such rules and policies and of this Plan, the provisions of such rules

and policies shall govern. If Listed, in the event that the Company's listing changes from one tier to another tier on a stock exchange or the Company's shares are listed on a new stock exchange, or the Exchange revises its rules and policies regarding the granting of options, the granting of options shall, at the Company's sole election, be governed by the rules and policies of such new tier or new stock exchange or as revised, and unless inconsistent with the terms of this Plan, the Company shall be able to grant options pursuant to the rules and policies of such new tier or new stock exchange or as revised without requiring shareholder approval.

8 AMENDMENT OF PLAN

8.01 Board May Amend

The Board may, by resolution, amend or terminate this Plan, but no such amendment or termination shall, except with the written consent of the Optionees concerned, affect the terms and conditions of options previously granted under this Plan which have not then been exercised or terminated.
